

# LEADERSHIP AND INNOVATION BY VALUES // SIMON DOLAN

## A JOURNEY INTO THE FUTURE OF WORK

**Trieste // May 27, 2017**

**Grand Hotel Savoia Excelsior  
Riva del Mandracchio, 4**

Prof. Simon Dolan, consultant and businessman and one of the most visionary minds in people management, will present his vision, based on scientific research, on how to develop a successful organization by Values in the New Paradigm.

He will share the platform with other internationally-renowned experts: Christian Acosta-Flamma, former SAP vice president and CEO of Telanto, and Elio Vera, Founder of CESMA Executive Education and of Apaform, professional association ASFOR of Management Trainers.
